Dr. Tamu Lucero, Superintendent of Schools

January 10, 2020

Attached is the proposed 2020-2021 Operating Budget in the amount of \$301,539,924 or a 6.52% increase over the 2019-2020 budget.

Please note that due to extreme increases in enrollment, SPED, HealthCare, Transportation, and Facilities costs, the BOE proposed budget request is greater than in the recent past, looming at approximately 6.52%. However, we are committed to presenting a budget that truly represents what we believe to be the cost of operating our district, in order to provide an education that cultivates the productive habits of mind, body, and heart in every Stamford Public Schools student.

I want to thank the City Boards and Mayor, in advance, for thoughtfully considering the BOE budget request.

Sincerely,

Dr. Tamu Lucero

Superintendent's 2020-21 Operating Budget Request– January 10, 2020

Budget Process

The budget process for the district began in October 2019 with the Superintendent providing general guidelines to all administrative staff to begin developing a budget for fiscal year 2020-21 that addresses program needs in a fiscally responsible manner. The budget would need to provide adequate resources to fund high growth budget areas such as Special Education and Facility Maintenance as well as the high growth rate in student enrollment that the district is currently experiencing. Starting in December 2019 with input from Central Staff and building principals and Administrators, the Superintendent's Operating Budget Request was assembled. At the same time, meetings were held with cabinet members to review all areas of the budget, to link budget requests to district goals, and determine priorities for 2020-21. Each program and building was thoroughly reviewed for staffing needs, trends, and alignment with district goals. With the superintendent having the final say in budget decisions, no stone was left unturned and many budget areas were either cut, reduced or reallocated to obtain efficiencies in the overall budget request.

The Superintendent's 2020-21 Operating Budget Request is \$301,539,924; an increase of 6.52%.

Board of Education Goals

Each year, the Board of Education and Superintendent of Schools work to develop Board and Superintendent Goals that support the district's mission. The operating budget and all grant budgets are aligned to these goals:

MISSION OF Stamford Public Schools:

The mission of the Stamford Public Schools is to provide an education that cultivates productive habits of mind, body and heart in every student.

VISION OF Stamford Public Schools:

The Stamford Public Schools will be a learning organization that continuously improves its effective, innovative and transformational teaching and learning. We will challenge, inspire and prepare all students to be productive contributing members of society.

District Strategic Goals

Strategic Goal 1: Learning Organization (Community) – All members of SPS will acquire and apply practices of a Learning Organization to promote a culture of continuous improvement and excellence.

Strategic Goal 2: Habits of Mind – All learners will acquire and effectively apply critical thinking, creative thinking, and self-reflective thinking to be academically prepared for lifelong learning and the world of work.

Strategic Goal 3: Habits of Body – All students will be prepared to lead an active lifestyle and to make healthy choices.

Strategic Goal 4: Habits of Heart – All learners will acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Other Operating Budget Considerations

To support the Board of Education's goals on the previous page and attend to other factors that influence costs and programs, the following items are included in the 2019-20 Operating Budget:

- A predicted enrollment increase of 529 students; 3.2%;
- To keep pace with Special Education program growth and Individual Education Plans "IEP" requirements (including transportation), the addition of 27.5 positions and the addition of \$6,861,000 to the budget;
- To assist with district-wide Maintenance objectives of keeping the buildings safe, clean and occupiable, the addition of 2 positions and \$3,088,000 to the budget;
- To provide flexibility to meet staffing needs during rapid enrollment growth, the inclusion of 13 contingency positions (Elementary +3, Middle School +2, High School +4, Special Education +2 and English Learners +2) at a cost of \$1,092,000;
- To keep pace with increasing enrollment the addition of five vehicles at a cost of \$509,000;
- To address increases in enrollment and need in the English Learner program, the addition of 8 positions and the addition of \$483,000 to the budget;
- To assist with students social and emotional needs, the addition of 5 Pupil Services positions at a cost of \$443,000;
- To assist with the district priority of early intervention and remediation and the reduction of grant resources funding, the addition of 3 Scientifically Research Based Intervention "SRBI" positions to the budget at a cost of \$333,000;
- To help provide the addition of grade 5 at the Strawberry Hill Elementary School, the addition of 3.3 positions (4 positions were also added to the grants budget) and \$282,000 to the budget;
- To keep pace with enrollment increases at the middle schools and high schools, the addition of 6.5 positions and the addition of \$364,000 to the budget;
- To address program needs and increasing enrollments, the addition of an assistant principal to the Apples Pre-K program at Rippowam at a cost of \$179,000;
- To adjust the Anchor program budget for recent changes, the reduction of \$74,000 from the budget;
- To reflect changes in enrollment estimates at the elementary school level, the reduction of 12 positions and \$713,000 from the budget;

- To increase district-wide efficiencies the reduction of 20 Media para positions at a savings of \$856,000;
- To update program cost based on the reductions of payments to Domus, the reduction of \$1,080,000 from the budget;
- To streamline the C&I program and reflect additional grant resources, the reduction of 5.7 positions and \$1,237,000 from the budget;

The Superintendent's 2020-21 Operating Budget Request is \$301,539,924; a 6.52% increase over the 2019-20 budget.

Budget Development Assumptions

Enrollment

The district's projection for student enrollment is shown in Section 4 of this document. A bar chart with actual enrollment from 1990-91 to 2019-20 along with an enrollment projection for 2020-21 are shown for your convenience. Enrollment projections were assembled with the assistance of district staff to provide a comprehensive analysis of enrollment trends.

For 2020-21, the total number of students (including in-district, out-of-district, and home instruction) is expected to increase by 529 to 17,181 students; an increase of 3.2%.

Elementary	+ 69
Middle School	+ 99
High School	+372
All Other*	- 11

*= includes Pre-Kindergarten, Anchor, Home Instruction, Individuals Achieving Independence and Out-of-District Special Education Students. Generally our enrollment projections have been quite accurate.

Revenue

Included in Section 6 of this document is an estimate of Education Revenues to the Stamford Public Schools and the City of Stamford. The operating budget for the school district in the amount of **\$301,539,924** is partially offset by state entitlements (such as ECS) and other revenues that are paid directly to the City. The state entitlements and other revenues are estimated to be **\$8,383,623**. When these funds are subtracted from the operating budget request, the estimated cost to the taxpayers is **\$293,156,301**.

Additional funds are obtained directly by the district from Federal entitlement grants, state grants, corporate grants, and private grants. For 2020-21, we have taken a conservative approach when budgeting grants with most grants projected at the same level as 2019-20. Furthermore, reductions have been made in state grants not yet approved for renewal. Our projections for all grants are shown in section 9 of this document.

Grants are usually earmarked for specific purposes and are generally intended to “supplement and not supplant” local operating budget funds.

Program Budgets

In Section 7 of this document, the program budgets are displayed for your convenience. We have continued to simplify the program budgets as much as possible and have established new program codes (College & Career and Anchor Program) for additional clarity and to make this document more user-friendly.

Salaries and Wages (100)

The salaries and wages included in this budget are based on settled collective bargaining agreements and “best estimates” for unsettled contracts.

Based on the current trend, new teacher positions have been budgeted at \$63,925 plus benefits of \$20,073 and paraeducators have been budgeted at \$23,381 plus benefits.

Additionally, the salary accounts have been reduced by \$2,720,000 for estimated “vacancy savings” due to staff turnover from retirements and resignations, unfilled positions, and degree level changes. Based on historical trends, for 2020-21 we are predicting 60 resignations, 30 retirements, 8 leaves of absence, and 10 teachers awaiting certification.

The 106 Maternity Leave account and 111 Long-Term Leave account have been budgeted based on trend.

Employee Benefits (200)

This portion of the budget includes the cost for employees’ medical and dental insurance as well as the employer’s share of Social Security costs. For 2020-21, most of the districts bargaining units (teachers, administrators, para-educators and security) have health insurance through the State of Connecticut Partnership Plan. The increase in projected insurance cost is shown in the 202 Health Insurance account. Based on the advice of our benefits consultant our Medical Insurance cost is expected to increase by 12% and Dental Insurance by 6%. While the projected increase in cost adds more than \$5m to the budget, the district cost is still more than \$4.8m less than the cost of a self-insured program. Further details of all the line items are shown in Section 10, page 10 of this document.

Revenue credits are included in the Board of Education budget for two items: premium cost sharing for active employees and grant offsets to the insurance account for grant funded employees.

The cost of 230 Pension is predicted to increase by \$380,000 (12.3%) and the cost for 231 Other Post-Employment Benefits “OPEB” is predicted to increase by \$475,400 (13.3%) based on estimates from the Milliman actuaries.

Educational, Rehabilitative, and Legal Services (300)

This grouping includes outside services, which are primarily rehabilitative and legal in nature. For 2020-21 this group will decrease by \$527,524 (5.2%) mostly due to reductions in the 322 Instructional Program Improvement Services account which was zeroed out and is no longer being used. Items from this account have been moved to the 321 and 330 account or the grants budget. The 323 Pupil Services account is meant to cover additional student services that are required by Special Education student's Individual Education Plan "IEP". The population of Special Education students is growing at over 6.5% per year.

For 2020-21, Stamford Academy support payments of \$445,983 have been removed from the 321 Contracted Services budget.

The 323 Pupil Services Account was increased by \$620,693 (11.7%). The funding pays for physical and occupational therapy services and other services mandated by Individual Education Plans (IEPs). Students who exceed 4.5 times the average per pupil cost are reimbursed by the State Excess Cost Grant. Because of this, \$4,702,000 has been used to reduce the 560 Tuition account.

The 330 Other Professional and Technical Services account has been reduced by \$145,408 in the area of district wide consulting cost.

Building Upkeep and Repairs (400)

The maintenance budget is currently being overseen by the city "Asset Management Group". The line items in this area are expected to increase by \$1,813,874 (28.6%). All accounts in this area of the budget are slated to increase to address deferred maintenance issues.

Transportation, Out-of-District Tuition, and Other Services (500)

This group is primarily composed of the student transportation and out-of-district tuition accounts.

The transportation budget was built on the services provided by First Student and ECS Transportation. We are currently running 150 vehicles and expect adding 5 vehicles for 2020-21 for a total of 155. Additionally, the contractual rates will increase by 7.5% for Home-to-School service and 3%-4.5% for Out-of-District Special Education transportation.

A portion of the district's transportation cost is funded through the Magnet School Transportation grant which helps out of town students to attend Rogers International School, Strawberry Hill and AITE.

The Out-of-District Tuition Account provides funding to other institutions for Special Education students who are required to attend based on their Individual Education Plan (IEP). The law guarantees each Special Education student a "free, appropriate, public education" and because of this, sometimes a school or institute outside the Stamford School District better meets his or her needs. For 2020-21 the number of out-of-district students is expected to be 262. Over the last two years significant efforts have been made by the district to increase state revenue and reduce expenditures in this account. Although state revenue amounts in this area are not yet known, the district's assumption in this area anticipates the current payout formula and capping the Agency Placement and Excess Cost Grants at 73% of their calculated funding. The gross tuition cost is offset by Agency Placement and Excess Cost Grant revenue in the amount of \$4,702,000. The final budget of \$16,577,770 is an increase of \$3,650,128 (28.2%).

Supplies, Materials, and Heating Fuels (600)

The supply budget for the school system includes both classroom-based consumable supplies and also heating fuels such as oil and natural gas. Each of the schools is given a per-pupil allotment based on their estimated pupils for 2020-21 to cover items such as paper, pencils, copy paper, and textbook replacements. Items such as textbook adoptions, heating oil, and natural gas are managed and budgeted centrally and not included in the "per student" allocation formula. The proposed formula is an increase over the existing allotment as follows:

	Current Rate per Student <u>2019-20</u>	Rate per Student <u>2019-20</u>
Elementary Schools	\$74.00	\$ 77.70
Middle Schools	\$92.00	\$ 96.60
High Schools	\$112.00	\$117.60

Buildings in italics are Interdistrict Magnets

The “per-pupil” allotment is discretionary funding allocated to each school and managed by the principal based on site needs. For 2020-21, additional money has been added to the site budgets for Special Education (at \$27.56 per pupil) and English Learner students (at \$24.26 per pupil). The building principals will be able to re-allocate site money via budget transfer. The formula stated above follows a practice adopted in prior years. The allocation of funds based on students allows the schools to fund all basic supplies for regular, Special Education and English Learner students as

well as “supply-intensive” subjects such as Art. The district adheres to the practice of “dollars following students” and more or less students may necessitate an adjustment to the budget. We will maintain a margin of +/- 25 students at each building for budget purposes.

Gas and oil heat are also included in this section of the budget. The estimates in this area were formulated in conjunction with estimates from City Engineering.

Equipment (700)

The equipment account is used to fund purchase of items with a unit cost of over \$1,000 and a useful life of more than one year. The budget is based on actual requests made by the schools and departments for classroom furniture in 2020-21.

Program Description & Program Goals:

The **Magnet Schools Program** provides a choice of programs at Hart, Rogers (including Strawberry Hill - an expansion of Rogers International School), Toquam, and Westover on the elementary level, Rogers and Scofield on the middle school level, and AITE on the high school level. These programs differ in approach but all use the same standards based SPS curricula in the core areas of English, Math, Science and Social Studies as well as in Art, Music and Physical Education.

To provide educational programs based upon the characteristics and needs of the individual learners.

To expand elementary, middle, and high school programming by providing additional choices.

Budget Notes

Reallocated and eliminated staffing and resources that are not required as part of a magnet program

Program Description & *Program Goals:*

The **Art Program** provides instruction and hands-on experience that stimulate creativity through studio applications, art appreciation, and aesthetics. The program seeks to convey cultural continuity and to help students analyze, compare, interpret and reflect, using art opportunities to achieve personal satisfaction and to build self-confidence.

To provide a variety of art experiences for all students.

To use these experiences with an appreciation of the contribution of many cultures to the world’s artistic growth.

To use art education to foster critical and creative thinking skills.

Budget Notes

Due to enrollment and course requirements 1.0 Art is added at Westhill and .5 at Strawberry Hill Elementary

Program Description & *Program Goals:*

The **World Language Program** provides for instruction in modern languages as well as in the classical language of Latin. The program emphasizes communication, understanding, and appreciation of other people's literature and culture. It also recognizes the need for developing speaking competence and proficiency in the language of the student's choice as related to possible career goals. World Language classes are taught according to the Stamford Board of Education and State of Connecticut curriculum guidelines to assure that students learn the skills and concepts related to communications, cultures, connections, comparisons, and communities.

To assure that students will acquire a level of proficiency in the world language that will enable them to communicate effectively with a native speaker in daily life situations.

Program Description & *Program Goals:*

The Stamford Public Schools has made a significant commitment to providing a consistent **Summer School Program** in Grades PreK-12. The program directly relates to district goals to address the achievement gap and increase the meaningful engagement of all families and the community. Partnerships with community agencies have resulted in services that align academic instruction with recreational activities. Academic subjects as well as non-academic subjects will be offered to high school students based upon courses needed for graduation and the number of students needing specific courses. Students will be taught an academically rigorous curriculum in all subject areas.

To provide instructional initiatives that support and remediate the learner.

Provide limited support for high school students to meet graduation requirements.

Program Description & Program Goals:

The Stamford Regional **Agriscience and Technology Program** at Westhill High School is a regional school that offers enrollment to students in Stamford, Norwalk, Greenwich, Darien, Ridgefield, New Canaan and Weston. This program follows the three circle model of agricultural education which includes classroom instruction, FFA, and SAE (Supervised Agricultural Experience). Students are required to participate in all three components to remain enrolled in the program.

Our classroom instruction is focused on hands on learning, real world experiences and covers a variety of areas in the agricultural field including animal science, plant science, biotechnology, environmental science, food science, aquaculture, marine science, and agricultural business.

The National FFA Organization is the Nation's largest Youth Leadership Organization. Agriscience students are required to become members of the FFA and attend monthly chapter meetings as well as participate in annual plant sale fundraisers. Student run chapter meetings foster leadership skills and career exploration through presentations from various professionals in the Agriscience field. FFA members have many opportunities to attend field trips, network with other students, gain leadership skills, and compete in Career and Leadership Development Events. The FFA is an intra-curricular program that promotes premier leadership, career success, and personal growth.

The last component of our program SAE, or Supervised Agricultural Experience, is a required component of a total agricultural education program and intended for every student. Through their involvement in the SAE program, students are able to consider multiple careers and occupations, learn expected workplace behavior, develop specific skills within an industry, and are given opportunities to apply academic and occupational skills in the workplace or a simulated workplace environment. Students complete required SAE hours outside of class time, and in doing so apply what they are learning in the classroom as they prepare to transition into the world of college, and career opportunities.

To provide practical and useful skills relating to the selection, planting, and care of plants.

To provide practical and useful skills relating to animal husbandry.

To develop the communication and critical thinking skills needed to make informed decisions, and promote awareness on environmental issues and topics.

To recognize, use, maintain and follow the safety procedures of agricultural equipment.

To develop the necessary skills to implement biotechnology applications in the field of Agriscience.

To develop marketable skills in the field of agribusiness.

To develop critical thinking skills needed to create future leaders.

Program Description & Program Goals:

School Management Services provides the support necessary for the operation of individual schools.

Responsibilities include: pupil welfare, instructional leadership, parent and community involvement, staff selection, supervision and evaluation. This program provides funds for principals, assistant principals, administrative interns, school clerks, and security workers salaries in the school buildings. Funds for supply items necessary to manage specific schools are also included in this program.

The program is designed to provide the necessary administrative services for the operation of each school.

Budget Notes

Due to the anticipated increase in enrollment an Assistant Principal position at the Apples Pre-Kindergarten program is included in the 2020-21 budget.

Program Description & Program Goals:

The **Transportation Program** is responsible for the safe, efficient, and economical transport of those students eligible and enrolled in our educational programs.

First Student Inc. is the primary vendor and currently provides the school system with 155 buses daily. Transportation is currently provided to high school students attending the vocational and technical centers. Generally students remain on the bus no longer than 50 minutes, and all attempts are made to provide routes so as to promote the shortest possible distance between home and school. The Office of Transportation continues to institute a computerized route system to enhance the program.

The estimated number of buses daily for public transportation will be 160 for 2020-21.

To provide safe, efficient, reliable, and economical transportation for the students of the Stamford Public Schools.

Program Description & Program Goals:

Charter schools are authorized by the State Board of Education. Local charter schools are funded by local or regional boards of education; state charter schools are funded by the state. They provide small-scale educational programs managed by a governing board comprised of teachers and parents or guardians of the students enrolled in the school and may include community members. Charter schools offer a range of educational programs, small class size, and enhanced teacher-parent communication.

Charter Schools including the Charter School for Excellence, Trailblazers (grades 6-8) and Stamford Academy (grades 9-12), receive a portion of their funding from SPS which mostly supports Special Education.

Budget Notes

For 2020-21, there is no funding in this program.
