

COVID-19 Dashboard

Stamford Public Schools (SPS) is committed to providing transparent, accurate and timely information regarding cases of COVID-19 in our district. When SPS receives notification of a positive case, the Stamford Department of Health (DOH) will conduct contact tracing. Families and/or staff members who were in close contact will be notified of the need to quarantine or self-isolate.

IMPORTANT NOTES:

- Dashboard data includes SPS staff and students only.
- Contact tracing occurs following each positive test result.
- Close contact is defined as an individual who was within 3 feet or closer, for 15 minutes or more. Fully vaccinated individuals do not have to quarantine as long as they remain asymptomatic.
- In keeping with the Health Insurance Portability and Accountability Act, and other privacy protection laws, SPS will always maintain the confidentiality of students or staff members, and no data will be provided that could be linked to identifiable information.

The following information will be updated weekly.
